

## Ohio District 3 Pilot's Report – November 26, 2023

If you are planning to participate in any Color Corps event below, please sign up through the link below. This allows the assembly and district staff to know in advance how many men to expect.

The “C.C.C. Responsibility” column shows the assembly responsible to provide a Color Corps Commander. The call to participate is open to all Sir Knights. Although the responsible assembly should have enough men to cover the event, this column is only to indicate which assembly is responsible for providing a C.C.C.

Highlighted events are those that have been added or updated since the last Pilot's Report.

Events at which a Marshal is expected to be present are in green. Even though a Marshal will be present at State Council and Diocesan events, the C.C.C. from the local assembly should be present.

The Color Corps Drill can be accessed from the Color Corps page on the Supreme Council's website (<http://www.kofc.org/en/members/for-members/color.html>). The link for the full manual is <http://www.kofc.org/un/en/resources/membership/dm-full.pdf>.

You can now access all events listed at <https://signup.com/go/NoBLGNe> You can bookmark this and return using this link.
